## BIOGRAPHY

Erich McElroy started doing stand-up here in Britain five years ago and has performed regularly on the London circuit. Originally from Seattle, he was a performer with the sketch group 'Up in Your Grill', and has a degree in acting. He has been resident MC of The Comedy Tree in London for four years.

Living in the UK has made Erich a big fan of English customer service; he enjoys nothing more than speaking to people in India about companies that have let him down here.
