## **“Brilliant” THE STAGE**

Pete Jonas moved to London from Melbourne in 1999 to continue a promising marketing career. Instead, he found himself unable to contain the increasing number of wise cracks in his head and felt compelled to say a thing or two about Britain’s “stunning weather, exquisite cuisine and unquestionable levels of service”.

**“A sleek, professional act... the pace, emphasis and rhythm of his delivery is spot-on. A rock-solid act guaranteed to entertain.” CHORTLE**

Pete’s Edinburgh debut show in 2006, *Brokeback Britain*, was totally sold out and he is currently performing for the following promoters: Off The Kerb, Bound & Gagged, The Banana Cabaret, The Comedy Café, Komedia, Jongleurs, Frog & Bucket, Jesters, Spank!, Downstairs at the King’s Head, Monkey Business, ED Comedy, The Comedy Tree (Resident MC) and The Comics Lounge (Melbourne).
